BUSINESS OPERATIONS | STRATEGY & EXECUTION | PROGRAMME MANAGEMENT

PROFESSIONAL SUMMARY

Results-oriented business operations and strategy professional with 5+ years of experience across an early-stage fintech startup, global banking, enterprise HR operations and business process management. Experienced in leading cross-functional operations, coordinating global programmes, managing operational risks, streamlining processes and supporting organisational execution. Works closely with founders, senior leadership, global stakeholders, technology teams and external partners. Brings hands-on experience in operational budgeting, vendor management, corporate governance documentation, management information reporting and enterprise systems.

CORE COMPETENCIES

Business Operations & Strategy | Strategic Planning & Execution | Programme & Project Management | Cross-functional Leadership | Operational Excellence | Business Process Improvement | Financial & Cash Flow Planning | Vendor & Partner Management | Global Stakeholder Management | MI Reporting & Dashboards | HR & People Operations | Risk, Audit Readiness & Compliance | Recruitment & Resource Coordination | Process Automation | Founder's Office Operations

PROFESSIONAL EXPERIENCE

FinFresh by BeyondIQ Services Private Limited | finfresh.in — **May 2025 – Feb 2026**
Chief Operating Officer (COO) – Business Operations

- Led end-to-end business operations across finance, HR, compliance, technology coordination and vendor management, aligning day-to-day execution with founder priorities.
- Acted as a key coordination point between the CEO/Founder and Fractional CTO, translating business priorities into coordinated technology execution.
- Coordinated a technology team of 3 full-time employees and 7 interns across development, QA, UI/UX, machine learning and data analytics; supported recruitment and resource planning.
- Managed external partner relationships, including AWS, Zoho, logistics and ISO certification providers, and streamlined workflows through Zoho CRM, Zoho People and Zoho Analytics.
- Coordinated with legal counsel, auditors and the Company Secretary on corporate governance, statutory filings, compliance and regulatory documentation.
- Worked with the founder on investor presentations, product pitching and strategic stakeholder engagements; supported Anna Incubator engagement towards securing ₹48 lakh in Startup India Seed Fund support.
- Contributed to product execution, website development and AI-assisted UI/UX initiatives, and supported the company's NVIDIA Inception ecosystem partnership.

Standard Chartered Global Business Services Private Limited — **Mar 2023 – Apr 2025**
Senior Analyst (promoted to Associate Manager; formal promotion letter issued)

- Supported operational delivery and coordination across 10+ enterprise-wide global programmes within a regulated banking environment.
- Coordinated stakeholders across APAC, ASEAN, EMEA, the UK and the US to support programme alignment, issue resolution and timely execution.
- Managed programme reporting, management information (MI) dashboards and operational performance updates for senior stakeholders.
- Coordinated programme deliverables, dependencies, stakeholder follow-ups and execution timelines across cross-functional teams.
- Maintained SharePoint resources, programme documentation and reporting records to support information accessibility, governance and audit readiness.
- Supported operational risk awareness through compliance monitoring and escalation management; contributed to process optimisation and reporting accuracy.

EARLIER PROFESSIONAL EXPERIENCE

SP Soft Global Private Limited | Client: Dell Technologies, Bengaluru **Dec 2021 – Mar 2023**
Senior Representative – HR Onboarding

- Supported end-to-end pre-employment onboarding for Dell Technologies, coordinating candidate requisitions, background verification, HRIS updates, equipment and software provisioning, welcome communications and onboarding closure.
- Processed approximately 30 candidate background-verification profiles daily through HireRight; audited vendor checks, onboarding records, welcome emails and ServiceNow tickets for accuracy and compliance.
- Built Excel macro-based automation for onboarding reports, reducing report preparation time from 115 minutes to under 9 minutes (more than 92% faster).
- Updated Workday HRIS records, including new hires and job, organisational and personal data changes; handled employee and stakeholder queries, customer credentialing and escalations through ServiceNow within defined SLAs.
- Partnered with HR teams, Talent Acquisition, technical teams and Target Technology Services (TTS) to resolve onboarding issues and coordinate new-joiner hardware and software readiness.
- Audited vendor invoices against background-check packages and supported payment validation, process controls and audit readiness.

Ford Motor Company **Jul 2016 – Oct 2017**
Team Member Level 1 – IT HR Operations

- Reviewed international employee assignments and domestic relocations by validating supporting documentation.
- Audited employee allowances and payslips for international service assignments and identified discrepancies.
- Managed recurring operational activities in line with defined Service Level Agreements (SLAs) and turnaround times (TATs).
- Used PeopleSoft for payroll-related documentation, employee data and compliance coordination; supported HR Business Partners and payroll teams with operational queries.

CAREER BREAK

UPSC Civil Services Examination Preparation | Dedicated preparation period that strengthened analytical reasoning, public policy understanding, governance awareness and structured problem-solving.

EDUCATION

Postgraduate Programme in Public Policy | The Takshashila Institution, 2025 | Grade: 3.1/4
Bachelor of Commerce – Professional Accounting | PSG College of Arts & Science, Coimbatore | 2012–2015

CERTIFICATIONS

LUMA Design Thinking Practitioner Certification – LUMA Institute | NISM Series V-A – Mutual Fund Distributors Certification

TECHNICAL SKILLS

- Business & productivity tools: Microsoft Office, advanced Excel, Excel macros (working knowledge), management information reporting, dashboards and SharePoint.
- Enterprise platforms: Zoho CRM, Zoho People, Zoho Analytics, Workday HRIS, ServiceNow, PeopleSoft, SAP SuccessFactors (exposure) and HireRight.
- Technology exposure: Basic SQL (currently learning), AWS fundamentals, AI-assisted tools and UI/UX design support.

KEY PROFESSIONAL HIGHLIGHTS

- Received a formal promotion to Associate Manager at Standard Chartered based on performance, ownership and execution.
- Supported Anna Incubator engagement towards securing ₹48 lakh in Startup India Seed Fund support for an early-stage fintech startup.
- Coordinated 10+ global enterprise programmes and stakeholders across APAC, ASEAN, EMEA, the UK and the US.
- Coordinated a 10-member technology team and processed approximately 30 background verification profiles per day in HR operations.
