PROFESSIONAL EXPERIENCE

FinFresh by Beyond IQ Services Private Limited | https://finfresh.in **May 2025 – February 2026**

COO – Business Operations

- Led end-to-end business operations at an early-stage fintech startup incubated within IIT Madras, Anna Incubator and ITEL ecosystems, overseeing finance, HR, compliance, technology and vendor management.
- Served as a key coordination point between the CEO/Founder and Fractional CTO, facilitating alignment between business priorities and technology execution.
- Managed relationships with external vendors, including AWS, Zoho, logistics and ISO certification providers. Coordinated with legal counsel, auditors and the Company Secretary on corporate governance, statutory filings and regulatory documentation.
- Implemented and streamlined operational workflows using Zoho CRM, Zoho People, Zoho Analytics and related business systems.
- Supported founder-led investor pitches and strategic engagements with South Park Commons and senior Tata leadership.
- Supported engagement with Anna Incubator towards securing Startup India Seed Fund support of ₹48 lakh.
- Managed a technology team of 3 full-time employees and 7 interns across development, QA, UI/UX, ML and data analytics, overseeing recruitment and resource allocation based on organisational needs and budgets.
- Contributed to product execution, website development and AI-assisted UI/UX design while supporting the company's NVIDIA Inception ecosystem partnership.

Standard Chartered Global Business Services Private Limited **March 2023 – April 2025**

Senior Analyst (promoted to Associate Manager; formal promotion letter issued)

Promoted from Senior Analyst based on performance, ownership and execution excellence.

- Supported operational delivery and stakeholder coordination across 10+ global enterprise programmes spanning APAC, ASEAN, EMEA, UK and US, ensuring programme alignment, issue resolution and timely execution.
- Managed programme reporting, management information (MI) dashboards and operational performance updates.
- Coordinated programme deliverables, stakeholder follow-ups, dependencies and execution timelines.
- Maintained SharePoint resources, programme documentation and reporting records to support information accessibility and governance.

- Worked with cross-functional teams to resolve operational queries and facilitate programme continuity.
- Strengthened operational risk management through compliance monitoring, escalation handling and audit-ready documentation while improving process efficiency and reporting accuracy.

SpSoft Global Private Limited | Client: Dell Technologies **December 2021 – March 2023**
Senior Representative

- HR Operations and Automation: Managed pre-employment background verification for ~30 candidates daily via HireRight and updated HRIS in Workday.
- Process Optimization: Built Excel macro-based automation for onboarding reports, reducing report prep time from 115 to under 9 minutes (>92% reduction).
- SLA and Compliance: Resolved employee operations queries via ServiceNow within strict SLAs while preserving confidential records under operational controls.

Ford Motor Company **July 2016 – October 2017**
Team Member Level 1 – IT HR Operations

- Relocation and Payroll Auditing: Audited international employee assignments, domestic relocations, payslips, and allowances for compliance using PeopleSoft.
- Operational Execution: Maintained high accuracy and turnaround times (TATs) supporting HR Business Partners and payroll teams.

EDUCATION

Postgraduate Programme in Public Policy | The Takshashila Institution, 2025 | Grade: 3.1/4 Bachelor **of Commerce – Professional Accounting** | PSG College of Arts and Science, Coimbatore | 2012–2015

CERTIFICATIONS

- LUMA Design Thinking Practitioner Certification – LUMA Institute.
- NISM Series V-A – Mutual Fund Distributors Certification.

TECHNICAL SKILLS

- Tools and Platforms: Advanced Excel (Macros, Dashboards), Microsoft Office, SharePoint, Zoho Suite (CRM, People, Analytics), Workday, ServiceNow, PeopleSoft, SAP SuccessFactors (exposure), HireRight, and Management Information Reporting.
- Technical Exposure: Basic SQL (learning), AWS fundamentals, AI tools, and UI/UX support.

KEY PROFESSIONAL HIGHLIGHTS

- Promotion and Impact: Promoted to Associate Manager at Standard Chartered for performance and execution.
- Startup Funding: Secured ₹48 lakh in Startup India Seed Fund support via Anna Incubator.
- Global Programmes: Coordinated 10+ enterprise programmes across APAC, ASEAN, EMEA, the UK, and the US.
- Operations and Leadership: Led a 10-member tech team and managed ~30 background verification profiles daily.

CAREER BREAK

U**PSC Civil Services Examination Preparation**
After leaving Ford Motor Company, took a dedicated career break to prepare for the UPSC Civil Services Examination. This period strengthened analytical reasoning, public policy understanding, governance awareness and structured problem-solving capabilities.
